4<sup>th</sup> October 2018

Dear Parents/Carers

This is our fifth week in forest school and there are still a few children without long trousers and long sleeved jumpers. To be able to take part in these sessions your child must be appropriately dressed. This is modelled by staff wearing the correct outfit on these days.

Unfortunately, if these items are not in school your child may have to miss out on the session and will have to spend their time in another class, completing appropriate work. This is a situation we would like to avoid, but we cannot take the children outside unless they are appropriately prepared.

Also PE kits should be in school every day, every week. If there is a genuine reason for the kit to go home, then it must be back in the next day. To avoid children missing PE or other outdoor learning experiences, we advise that it not go home until half term. If you need the PE kit at home, please speak to a member of staff so we are aware and then can check it has returned the following morning.

Today we had a few children having no PE kits and no forest school kits and they were extremely disappointed with some of them having tears. I'm sure you understand that situations like this can be easily avoided if all required equipment is available in school at all times. If you are not sure which equipment you need to provide, please speak to the office.

Thank you for taking the time to read this and to support your children with their learning.

Mrs Baxter

Class teacher
