5 October 2018

Dear Parents/Carers,

This year we have entered our school team into a local football league organised by Elite Sport Academy. This is a new venture for our school and I am really hopeful that it is something that the children will aspire to be involved with.

Our first fixture is fast approaching and is scheduled to be next Wednesday, 10<sup>th</sup> October, against Gosberton Clough school after school. The fixture will be played at Gosberton Clough and we are in desperate need of transport via parent power. We will be leaving school around 3:30 and the match should be finished by 4:30. I appreciate it is short notice (which is entirely down to me) and I understand that you may not be in a situation to be able to take your own child. However, if two or three parents are able to help out, then we can make this fixture happen! If you could complete the slip below as soon as possible, then I will be able to plan who is taking who and how many players we can send. I am really hopeful we can pull this off even at this late stage!

As it is our staff meeting day, I cannot attend, but Elite have provided one of their coaches to be responsible for the running the team. The coach will be already on site when you arrive and they will then take the responsibility of looking after the players from you until the end of the match. All children will wear the school football kit to this but they will need either a pair of football boots or trainers and they must have shin pads. They should also have a warm jumper or jacket as well as a drink.

If you have any questions, do not hesitate to ask!

Thanks for your support,

Mr R Chipperfield
