Dear Parents and Carers

Coronavirus Update

Following the latest advice from government and the local Authority, we have today instructed our members of staff, who are deemed as vulnerable to COVID-19, to work from home until further notice.

You will appreciate the challenging and unprecedented times in which we are living. As I mentioned in my letter yesterday, we will keep our schools open until we are instructed otherwise by the Department of Education or staffing levels fall below a limit at which we can keep pupils and adults safe. Current staffing levels enable us to remain open for the time being, albeit with some children moving into different classes for the foreseeable future.

Thank you for your continued understanding. Should you have any queries, please contact the school directly.

Kind regards

Mr A Raistrick
