

## Parental Questionnaire

Having experienced four months of Home & Remote Learning, we would appreciate your opinions regarding the experiences that you have encountered during that time. Moving forward we would like to improve our provision and would value your thoughts and suggestions. Please complete the questionnaire and return to school by email by Wednesday 21<sup>st</sup> October.

Name of child	
Year Group	
How easy was it to access the learning packs that were sent by email? Please explain.	
Were there any specific subjects that were more difficult to access than others? Please share.	
Which subjects did your child particularly enjoy?	
What do you feel worked well with this approach to learning?	
What do you consider were the barriers to your child's learning during this time?	
The Government is expecting all schools to provide on-line learning in future. Would your children be able to access and complete on-line learning easily or would you feel you might need extra support?	
If you feel you might need extra support to access on-line learning, how could the school help with this?
