Targeted support

Action	Intended outcome	Estimated impact	Cost	Staff lead	Comments
Employ a member of staff for two mornings each week (Autumn Term) to enable Y3 to be taught as one year group in English and Maths.	Children in Y3 to make accelerated progress over the Autumn Term.	Assessments in Y3 show progress from baseline data.	£3250	Rick Chipperfield	
Employ a member of staff for one afternoon per week (Autumn Term) to deliver catch	Children in Y4 and Y5 to make accelerated progress over the Autumn Term.	Assessments in Y4 and Y5 show progress from baseline data.	£1000	Rick Chipperfield	

up sessions for maths and SPaG to Y4 and Y5.					
Employ a member of staff for one afternoon per week (Autumn Term) to deliver 1:1 reading sessions with Y6 children whose reading stamina and ability is below their chronological age.	Children identified in Y6 improve their reading fluency over the Autumn Term.	Identified children can access more of the reading test compared to their baseline assessment.	£1000	Rick Chipperfield	
Purchase CGP books to support catch up lessons both in school and at home (homework or whilst in isolation).	Children's missed learning is addressed and progress is made in line with normal expectations.	Assessments in SPaG and maths show improvement in areas that were previously identified.	£750		
Total spend:			£6000
