12th November 2020

Dear Parents/Carers,

Hot School Meals

We are delighted to tell you that we will be able to offer a hot school meal for your child again from the week commencing 30th November.

Meals will be delivered to children in their classroom by their allocated Midday Meal Supervisor. Meals will be brought into school by The Farm Kitchen in the usual hot containers and will then be served into individual bio-degradable food boxes (as pictured below) before being delivered to the children's classrooms. The cutlery will be provided by The Farm Kitchen and will be taken away by them to be washed. This all complies with Health and Safety regulations, Food Standards, and does not compromise our Covid-19 Risk Assessments.

There will be two main meals and two desserts to choose from, (one to be a vegetarian option). Unfortunately, there will not be a packed lunch option.

The menus for ordering the hot meals will be live from 16th November and orders for meals to commence from 30th November must be made by the deadline of 3.00pm on Tuesday 24th November in the usual way. You will be able to order at least 2 weeks in advance, so please make sure you visit The Farm Kitchen's ordering site regularly to ensure your orders are up to date. As usual, we will not be able to provide a child with a lunch if parents/carers have not ordered one!

Kind regards

Mr R Chipperfield
