21<sup>st</sup> May 2021

Dear Parents/Carers

### Immersive experience

To further engage the children and enthuse them with their new topic this term, we would like to give them the opportunity to have a fun-filled, educational day.

Willow Class will be having their immersive day on Thursday 27<sup>th</sup> May. Their topic this term is a Geography based topic based around the seaside. During this topic, the children have learnt about the physical and human features of a seaside, where our nearest seaside is and the attractions based there as well as looking at the United Kingdom as an island and the seas/oceans that surround us. To end this topic, on this day the children can come dressed in clothes suited to going to the seaside. Please make sure these clothes are appropriate for school; the children may want to wear something underneath certain items. The children can bring a small bag of items that they would take to the seaside with them e.g. bucket and spade. Please make sure that anything your child brings into school is clearly labelled with the child's name

The children **do not** have to take part but it would be lovely to see them all involved, even if they choose to do one or the other. Please do not go out and buy things for this day, use the things you have at home.

Many thanks,

Miss Bates  
Willow Class Teacher
