20<sup>th</sup> April 2021

Dear Parents/Carers

### Immersive experience

To further engage the children and enthuse them with their new topic this term, we would like to give them the opportunity to have a fun-filled, educational day.

Willow and Oak Class will have their immersive day later on in the term so keep an eye out for more information. Willow will have a seaside orientated day and Oak will have a World War II day.

Maple Class will be having their immersive day on Tuesday 27<sup>th</sup> April. Their topic this term is a Geography based topic. During this topic, the children will locate hot and cold places all over the world, find out lots of information about those hot places and compare them to where we live. To introduce this topic to the children, on this day the children can come dressed in clothes suited for a particular holiday destination e.g if they choose Canada as their destination they will come dressed for cold weather and activities they would do in the snow, if they choose Greece as a destination they will come dressed for hot weather and activities they would do on the beach by the sea. Please make sure these clothes are appropriate for school; the children may want to wear something underneath certain items. The children can bring a small bag of items that they would pack for this holiday too. They will be required to put these items in their lockers as soon as they come in to school until we use them.

The children **do not** have to take part but it would be lovely to see them all involved, even if they choose to do one or the other. Please do not go out and buy things for this day, use the things you have at home.

Many thanks,

Miss Stringer  
Maple Class Teacher
