Dear Parent / Guardian

We are pleased to announce that Surfleet Primary School has organised a clothes & shoe collection with Bag2School in order to raise funds for the School.

Bag2School is the UK's leading textile recycler and fundraiser working with schools and since its inception in 2001 it has now paid out over £36 million.

As well as raising vitally needed funds for the School, it also helps the environment by helping to divert unwanted textiles away from landfill. A recent DEFRA report has shown that textile collection schemes are helping to reduce the volume of textiles discarded as municipal solid waste. However it is a fact that as a nation we still send 350,000 tonnes of textiles to landfill every year.

By getting involved in our **Bag2School** collection, you have an opportunity to sort through your cupboards and wardrobes and donate unwanted textiles in the bag provided – this can include adults' and children's clothes, shoes, tied together please, hats, belts, handbags and soft toys, please refer to <http://uk.bag2school.com/> for full details. In addition to raising much needed funds it will also raise awareness amongst the children of the benefits of recycling and reuse.

We currently under COVID restrictions ask if you can fill black bin liners **ONLY** and don't forget to ask grandparents, friends and neighbours to have a sort out as well.

Bag2School will be collecting from Surfleet Primary School on Tuesday 4th May 2021. Please bring your bag or bags! To Surfleet Primary School, under the covered area near reception and help us have a really good collection.

Many thanks indeed for helping us with this unique fundraising opportunity.

Yours faithfully
