Dear Parents/Carers

Wraparound care (Breakfast and After School Clubs)

This is just a reminder that, at the moment, we have very few places available for breakfast and after school clubs because of social distancing and the restrictions we have in place. May I remind you below of the current criteria for being accepted to either of the wraparound care that we provide.

At this time, we can only offer clubs to families if:

- the use of the provision is reasonably necessary to support you to work, seek work, undertake education or training, attend a medical appointment or address a medical need or attend a support group
- the child has an EHCP
- support is being received for the family from Children's Services
- the school receives the Pupil Premium allowance for the child
- the school have invited the child to attend to support their reintegration back into school

It is worth noting that we also have to try and keep the children in their class bubbles, if possible. In a small school, this makes the task even more difficult to offer meaningful clubs.

Whilst we will do everything we can to support you, as we always do, please help us to keep everyone safe by requesting club provision **only if you genuinely need it**. If you require either of the clubs and fit the above criteria, we still need notice (preferably 24 hours) to make sure that we have the room. If children have not been allocated a place they will not be allowed to join the session.

Kind regards

Mr R Chipperfield
