School Lunches

Remember if you want to purchase a lunch you have to choose your meals via Parentpay. Orders need to be made by Tuesday lunchtime for the following week. All menus are there up until half-term. Universal Free School Meals are for children in Reception, year 1 and year 2. Parents of these children and Pupil Premium children still need to go on to Parentpay to choose their meals. Anyone having issues with ordering should contact the school office.

Don't forget—order by **Tuesday** for the following Monday! I send the menu numbers to the kitchen on a Tuesday before I leave the office. If any parent tries to order after 1.00pm, their child will not be added to the list as it will be too late!

Wildlife Warriors

Miss Thomson and the Wildlife Warriors would appreciate any donations of unwanted compost, bulbs, flowers etc for their garden if anyone could help please!

Share your views on local childcare

Lincolnshire
COUNTY COUNCIL
Working for a better future

Lincolnshire families are being asked to complete a survey to help gauge demand for childcare places in the county.

The council is required to ensure there are sufficient childcare places for working parents, parents studying or training, and for disabled children. Although the authority does not provide childcare directly, it works closely with private, voluntary and independent providers and schools to shape and support the development of local provision to ensure it's flexible, sustainable and responsive to the needs of the community.

As part of this process, the council is asking parents to complete a short survey to help the authority assess the need for childcare places across the county.

Cllr Mrs Patricia Bradwell OBE, executive member for children's services, said: "It's vital that parents have access to suitable childcare, so they have the ability to go out to work, study or train. The information provided through this survey will help identify any gaps in local provision, which we can then look to address with providers. Please take the time to share your views, so we can ensure the childcare sector meets local needs."

The survey runs from Monday 25th April to Friday 6th May and can be found online at www.letstalk.lincolnshire.gov.uk/parental-childcare-survey
