Dear Parents/Carers

The Reception Baseline Assessment, or RBA, is a short, interactive and practical assessment of your child's early literacy, communication, language and mathematics skills when they begin in school. This will be undertaken by myself and it will measure your child's progress from Reception to Year 6. The school, the teachers and you as parents, will not see the data and the data will only be accessed by the DfE. I will be able to spend quality 1-1 time with your child, getting to know them and if the need any further support in certain areas. When your child reaches Year 6, you will be able to see the progress your child has made throughout their school journey. If you wish to read further on the Reception Baseline then you can find a useful parent booklet here:

If you have any questions then please feel free to speak to me.

Many thanks for your continued support.

Kind regards

Miss Bates
