

Dear Parents / Guardians,

Sponsored Walk – Friday 9th June 2023

This year the PTFA have organised a sponsored walk which will take place on Friday 9th June between 1.30pm-2.30pm. All school pupils will be invited to participate in the walk around the school grounds on a defined route. Children will be encouraged to complete as many laps as possible during the hour.

Children do not need to wear any other clothing than they normally would for school, so we expect all children to attend in uniform with a coat or rain jacket if the weather dictates. However, as not all children's footwear is appropriate for walking for an hour, we advise that children come to school in trainers on that day.

We will endeavour to complete the sponsored walk regardless of weather but if the weather is particularly hot/wet/windy/etc. then we reserve the right to change the day or limit the time walking in order to keep the children safe.

School staff will supervise pupils and their welfare at all times.

It would be ideal if the children could have their own water bottle in school that day, but if not, we will provide cups for the children to use. Each class will have a designated water station for their bottles and pupils will collect a stamp on their individual card each time they pass when completing a full lap. The cards will be recorded and sent home to show how many laps each child has completed.

The sponsored walk will raise PTFA funds to buy more new books to help support the pupils learning.

Enclosed is a sponsor form for your child. Sponsors can pledge a fixed amount for participating in the sponsored walk. If extra sponsorship forms are required, the children can collect these from their classroom. Please return the form and sponsorship money to school by Friday 16th June in a sealed envelope.

We thank you for your support.

Yours faithfully,

The PTFA
