Reporting the Absence of your child

We have a new email address set up to allow parents to notify us of the absence of their child and any medical/dental appointments arranged.

Please use **attendance@su.keystonemat.org**

*If a child is absent, parents must contact the school as soon as possible on the first day of absence **by telephone** and communicate in writing (e-mail to attendance@su.keystonemat.org or by letter) on the first day they return with an explanation of the absence – parents must do this even if they have already telephoned the school. Alternatively, parents can call into school and report to reception in person.*

Medical & Dental Appointments

We do ask to attempt to make all medical and dental appointments during school holidays or after school hours where possible.

Medical/Dental appointments during school hours will not be authorised unless an appointment card, hospital letter or text from the GP/hospital/dentist is forwarded to school.

Providing these retrospectively is acceptable. Absence will only be authorised for the duration of the appointment plus any reasonable travel time.

We have a Luna request!

We would really love some fast growing grass seed to create grass trays for Luna to munch on. We would also like to receive some cress seeds to grow for Luna for a little snack!

Luna loves a treat and would definitely love more healthy greenery in her diet so hopefully someone out there can help her out...

Thanks in advance.
