Work Hard, Be Kind, Achieve!

Welcome to the New Year and a new school term.

I know Christmas feels a long time ago, but I wanted to share my thanks with you for supporting us during the festive period.

The Nativity performances went really well and were well attended by families – thank you. It was great to see the children from Willow and Maple working together to create a beautiful performance! Congratulations must go to Miss Bates, Miss Burrows, Mrs Craft and Miss Rawlings for putting their all into preparing the children.

At the end of term, the whole school and community came together for our Christingle service at the church. Once again, this was a really special event with the children's singing and contributions being of a high standard.

Many thanks again to all of you who were able to attend and join us in welcoming in that special time of year.

This term we have been thinking about our aspirations, dreams and goals.

A dream becomes a goal when action is taken toward its achievement.

We have been using the above quotation to guide our thinking about how we have to take an active part in and long term commitment to achieving our goals in life.

In assemblies, we have developed the children's thinking around future careers. Which of these children wanted to be: a footballer, a flight attendant, a refuse collector, a scientist or a maths professor?

Do you know what your child's aspiration or goal is? Ask them to find out!
