Dear Parents/Carers

Your school needs YOU!

This is a genuine reach out for help...We need you!

It has been an honour and privilege to work in your community since 2017 and we love nothing more than to give to our community in whatever way we can. However now, we really need help FROM the community!

We need school governors!

Anyone can be a school governor: all you need is a little bit of time (genuinely not much) and a willingness to learn about our school. If you think you could attend a meeting every 6 weeks (for about 1 1/2 hours), pop into school for a short meeting 3 times a year (or even virtually) and do the odd piece of virtual training, then you could be our next governor!

Any adult can be a governor. It doesn't matter if you've never worked in a school, if you are a current parent or not, or if you don't even live in the village, we just need people who are willing to do a little bit to help our school become even better. So, if you or anyone you know has a slight tingle of interest, then please, please, please get in touch with us at school to express your interest. If you give me the chance to explain what it entails over a cup of tea (and maybe even a biscuit), I am sure that 99% of you would agree that you could commit to this important and vital role in supporting the school, the staff and, most importantly, the children.

Any help with getting this message out there would be greatly appreciated.

Yours sincerely

Rick Chipperfield
Head of School
