Dear Parents/Carers

Due to a recent survey of the school roof and tiles, the trustees of Keystone Academy Trust have decided that the front playground and main entrance cannot to be used from now on due to their being loose tiles which may fall off. Keeping you, your children and school staff safe has to be our main priority – I am sure you agree! There are no concerns about the safety of the building itself nor are there any concerns about people's safety within the building. We will give you further updates as and when we have them.

From now on, all children will need to be dropped off and collected using the rear playground. The side gates will be open so everyone will need to go through the gate near the staff carpark and follow the path round to the back of the school. Please do not go through the staff car park for any reason.

You can still visit the office using the office entrance.

As this will also have an impact on break times, all children will need to bring in a pair of wellies in a bag, clearly marked with their name. If children do not have these in school, then they will be limited at break time in what they can do.

Thank you for your support with this.

Mr Chipperfield
Head Teacher
