Dear Parents/Carers,

Willow Class School Trip

As a school, we always want to enthuse learning and give children as many opportunities as we can to experience the wider world around them. We would therefore like to take the children in Willow Class to Skegness either at the end of May or beginning of June. We have chosen Skegness as over term 5 and term 6 it is linked to our Geography and History learning included within the Seaside theme. We will be leaving school at 9.15am and aim to return by 3.10pm therefore children would need to arrive at the normal time. We know that this trip will develop the learning that we complete in school and help the children to know more and remember more. Plus the children may encounter experiences that they may not have done so already! As part of the trip, the children will have the opportunity to learn about the RNLI and what they do to keep people safe at the beach, as well as look at the human and physical features of a seaside.

The total cost of the trip has been capped at £13.00 per child (even though it is costing more than this) and we are asking for a voluntary contribution to meet the majority of the costs. We do understand that you may be unable to contribute at this time. We also recognise that you may wish to contribute an amount lower than the cost. Please indicate whatever contribution you can afford on the slip below.

Unfortunately, we have a limited budget to support each year group with trips, visitors and experiences and so we are asking for your expression of interest in this trip to see if it is financially viable to go ahead before we book and confirm that it can happen. Please can you complete the slip below and select one of the following options. Please indicate whether you would like your child to experience this trip or not. If you tick that you would like them to experience this trip, then please indicate whether you could support with a voluntary contribution or not. All responses will be treated in confidence. If the responses indicate that the trip is viable, we will go ahead and book a date. If insufficient voluntary contributions are indicated and the trip is not financially viable then unfortunately, we will not be able to offer this trip.

We ask that the reply slip is returned by Friday 3rd May at the latest.

Kind regards

Miss Bates
