WEEKLY NEWSLETTER

Week Ending – 26<sup>th</sup> April 2024

## Work Hard. Be Kind. Achieve!

*There is no such thing as the perfect family. Every family is unique with its own combination of strengths and weaknesses."*

This week we have been focussing on relationships and what makes a safe and supportive relationship. We used resources from the NSPCC website to guide our thinking and the children demonstrated a secure understanding of how **they** should treat others and how they should be treated **by** others. 'Trust' was a recurring theme that the children mentioned and we all agreed that this was central to forming all positive relationships.

As a small school, we always try so hard for all of our children to have access to the same opportunities regardless of age. Miss Thomson has been working hard behind the scenes to create one such opportunity and she was successful in applying for enough 'tomato kits' for our whole school to try and grow their own tomato plant. All children had time this week to set their own seeds and now we wait for the magic to happen! Once the seeds have sprouted and become established plants, we will be sending these home for the children take responsibility for the care of their tomato plant. What's that you say, can we have a competition? Of course! Details of this will be shared when the plants make their way home – information to follow!

Many thanks to the 'Tomato Team' of Kajus, Taylor and Thomas for supporting the children with their seed planting task.

Don't forget our whole school trip on Wednesday May 1<sup>st</sup> to the mosque in Peterborough.
