WEEKLY NEWSLETTER

Week Ending – 7th February 2025

Work Hard. Be Kind. Achieve!

We all know that our school motto is to work hard, be kind and achieve but one thing that we also talk about a great deal is teamwork.

Being part of the Surfleet Primary School community and wider local community is important to us and something that we hope to instil in our children.

One way we try to promote this is by getting behind our school teams and last week, it was the turn of the hockey players to wear the Surfleet badge with pride at the local tournament. One thing I will say for definite was that it was cold! However, this did not put our players off in the slightest and when they were on the pitch, they had one thing mind: being the best that they could for their team.

Our regular players: Alan, Millie, Aras, Freddie, Isla and Ema were joined by new recruit Leon to see if we could get any wins. After a tough opening game against John Harrox, which we lost 2-0, the team came to life beating Pinchbeck East 1-0, losing narrowly to St Norbert's 1-0 and then drawing 0-0 with Ayscoughfee.

We definitely deserved better results from our performances but without goals, you can't win games! Without doubt, once again, our team showed amazing effort, super skills at times and dogged determination throughout. Hopefully the next tournament will bring more goals and more wins, but we have no need to improve on our commitment and attitude which was the best at the tournament.

A special mention should also go to the supporters who braved the conditions and for Connie being a great assistant coach!
