6th May 2025

Dear Parents/Carers

Year 6 SATS and Breakfast Club

As you are aware, Year 6 children are sitting their Key Stage 2 SATs during the week commencing **12th May 2025** as follows:

<u>Date</u>	<u>Activity</u>
Monday 12 th May	English grammar, punctuation and spelling papers 1 and 2
Tuesday 13 th May	English reading
Wednesday 14 th May	Mathematics papers 1 and 2
Thursday 15 th May	Mathematics paper 3

In order to best prepare your child for the tests and give them a great start to the day, we have decided to run a Year 6 SATs Breakfast club during this week. As a school, we shall be providing the breakfast for the children in year 6 only. **We do not require a contribution towards this.** There will be many food and drink items available which the children themselves have had the chance to choose. **Attendance is voluntary at the breakfast club**, but we would advise children to attend if parents are able to get them here.

The club will run from Monday – Thursday from 8.00am – 8.40am. Children must not arrive before 8.00am as there will be insufficient staff to supervise the children adequately.

We really want this week to go as well as possible for the children and for them to not feel any more stress than they naturally will. We have been working hard all year and throughout their school life to ensure that they can achieve their very best and be proud of their efforts regardless of the task. These tests are another way that the children can show off and be amazing.

Whilst we do not want to add any stress to the children and their families, we do have to ensure that the children take the tests. Therefore, if a child is ill or there is something that comes up that may impact on them taking the tests, we need to know as soon as possible so that we can do everything we can to make sure that

the tests are taken. Please let us know about **anything** that happens over the next couple of weeks that may affect their performance. If I need to come and collect children from home to support them to complete the test, I am happy to do this. We will do whatever it takes to get the children to sit the tests and achieve their very best!

If you would like to know more about the tests, contact the office to arrange a call back.

Thanks for your continued support.

Yours sincerely

A handwritten signature in black ink, appearing to read 'R. Chipperfield'.
